Night Of Nights . . . Evening In The Islands

The Junior Class presented a beautiful and exciting atmosphere for the prom this year. The event was held at the Women's Club in Fort Wayne. The Rivieras presented the music for the enjoyment of all.

To highlight the evening Norma Stienbarger was crowned our queen. Larry Sordelet was the handsome king. The court consisted of Jenny Clark, Mike Fitch, Vickie Leis, Wayne Hollopeter, Barb Arnold and Sam Gloyd.

Following the prom our parents sponsored an after-prom party at Goeglien's Barn. The Counts presented the lively music to keep us swinging until 4:00 A.M. All in all the event was one to be remembered always.

"Paint The Town Pink"

"Here's another stamp for your collection," says Sandy Rosenberry to Tim Holmes.

"Here mousie, mousie, mousie," pleads Tim Holmes as Maureen Miller and Susie Cain portray the usual feminine position.

Water Conditioning Equipment

It takes a lot of effort on the part of fair queen candidates to win. This year Sandra Rosenberry was honored.

Linda Gump had to sell lots and lots of skating party tickets to win this honor of band queen. She did a fine job.

The queens of Huntertown High School organizations add glamour to the dull everyday activities. Their reward comes after many hard hours of work. When they win they can be assured they deserve the honor.

Our queens include the Huntertown Fair Queen, the Band skating party queen, the FFA Chapter Sweetheart, and the Citadel Queen.

Congratulations to the girls who received the honors this past year!!!!

1963-64 Royalty Is Featured

Linda Halt was announced the FFA Chapter Sweetheart after spending many extra hours working for the cause.

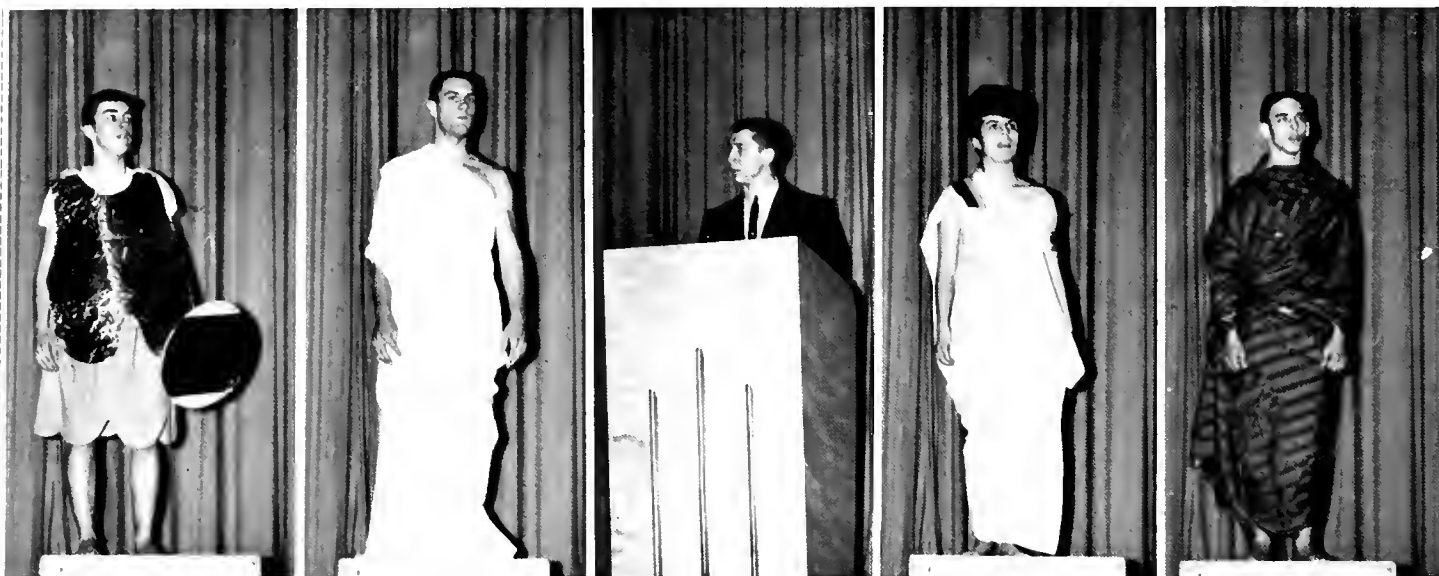

Susie Clark smiles proudly as she should after being crowned the Citadel Queen. Her votes earned a lot of aid to the cost of putting out the yearbook. At the right Susie is shown being crowned by last year's queen, Nancy Pulver.

Convocations Give A Students A Different Point Of View

Gary Hursh, Sam Gloyd, Bob Yates, Jenny Clark, and Tim Holmes participated in the Easter Convocation, "Were You There?"

Participants in the Christmas convocation were Gary Hursh, Steve Ruhl, Bruce Turner, Judy Fritz, Sam Gloyd, and Dean Fulk. A speaking choir told the story of the first Christmas. Members were Jane Rinehold, Norma Steinbarger, Sandy Rosenberry, Barb Smith, Carol McComb, Judy McDougall, Sue Pusey, and Sandy Simon.

At Thanksgiving, Bruce Turner, Sandy Simon, and Gay Bailey returned as Pilgrims to visit Jenny Clark, one of today's teenagers.

Everyday Life Is The Most Exciting

At noon there is the usual rush to the lunch line. If you are lucky and can crowd, without getting caught, you can have a choice place to sit.

At night we have our school sponsored dances to attend. They prove to be a lot of fun, especially the ones like the Hobo Hop given by the N. H. S.

Ball games is one of our more favored activities. Here our team is shown coming from the dressing room at one of our games at Leo.

All through high school memories are being built. We remember the very important occasions such as the prom and banquet. But we remember most of all the fun we had just being with our friends and doing the usual things. Here on this page are shown some of the everyday happenings at H inter-town High School.

At noon there is ping pong, dancing in the gym and of course, there is always the studious group that spends their noon hours in the chemistry room.

ACADEMICS

Speaking And Reading Open Many New Worlds

Juniors and Seniors are kept busy with re-search papers the second semester. Here Jane Heck is using our library as a source for her paper.

VINCENT RUPP, English 10 and 12, Speech; B.S., Fort Wayne Bible College, Indiana University, Bowling Green State University.

DONALD E. HELM, English, Social Studies; B.A. and M.A., Butler University, Indiana University.

English is a medium of communication of ideas--whether it is used in speaking, reading or writing. It is the core of every class, from the first to the twelfth grade. Being able to express oneself in both oral and written work is essential for an all-around education, which is carried over in everyones life.

Wayne Thompson seems to think that notecards are an absolute must in giving a speech.

The speech class was kept busy with the all-school play, convocations, and two-plays given at the end of the school year. Here is a scene from "It's Cold In Them Thar Hills" which was given free of admission at the end of the year.

Science And Mathematics

Steve Ruhl, Sam Gloyd, and Wayne Hollopeter look on with doubting grins, as Sidney Merriman and Gary Pulfer try to make their new invention work.

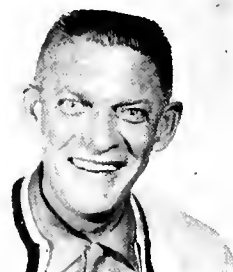

"Oh," says Sue Sauder, "This is a boy rat; not a girl rat." "I knew it all the time," says Kathy.

"What are you two making? You know stills are illegal in Indiana." The question doesn't seem to bother Sandy Rosenberry or Chuck Logar.

MRS. HELEN ALTER, A. B. Indiana University, Wisconsin University, Ball State, St. Francis; Geometry and Freshman English.

DEAN MICHAEL MERRYMAN, B. S. Huntington College; Algebra, General Math, Seventh Grade Math.

Barbara Ruhl and Larry Brown investigate the internal structure of the frog by first dissecting.

The junior math class works tirelessly on those ever-increasingly-difficult algebra problems.

Mrs. Alter assists Wally Melching on constructing and bisecting a circle as the remainder of the class observes.

Students Strive To Master Second Language

DONNA M. DUFF, English 9, Spanish; B.A., Wheaton College, Olivet College, and Indiana University.
LUCINDA ENLEY, Librarian, A.B., Indiana University and Indiana State Teacher's College.

Nancy Pulver, Cindy Parrish and Sherry Maxine make Spanish seem as easy as English. Maybe that's because they're "faking us out." Maybe that's not Spanish at all!

Students Explore The Teaching Field

Barbara Arnold, a future teacher, prepares and acquaints herself with the teaching profession by helping an elementary class to learn new words and read.

Pat Wilkinson, Joyce Zehr, Mrs. Hostetler the instructor of future teachers, Bruce Dunwiddie, Jenny Clark, and Sidney Merri-man look over some techniques of teaching.

Exploratory teaching is a new credit course in which students in their senior year of high school who plan to be teachers are allowed the opportunity of observing and participating with the regular classroom teacher.

It offers the opportunity of helping the future teacher decide upon which level of children he wishes to teach. It also helps him decide whether or not the teaching profession is best for him.

Social Studies Covers Cavemen To Rockets

In United States History class Tom Burns and Steve Bowser debate a national question.

The Social Studies students at Huntertown do many things to gain knowledge of past and present happenings. These courses include freshman citizenship, sophomore world history, junior U.S. history, and senior government.

World History students are trying to "set the world on fire." Here Tom Robertson makes an attempt as Sue Buckmaster plays lookout.

Typing + Dictation + Work Sheets = Frustrated Student

"Well," says Jerry Bowker, "From the looks of these books they'll never know how much I embezzled."

Typing, shorthand, and bookkeeping all combine to form a necessity in the modern business world. Typing involves a finger-tip method of placing information on paper. Shorthand provides a quick method of taking notes, and bookkeeping involves the handling of money. All in all, they formulate the background for the modern office worker.

"I liked the way my typewriter typed before," says Steve Bowser. "Now it doesn't type at all."

"Gee whiz, this sounds like quite a line. I wonder who's the poor girl who receives it," says Judy Biebrich as she writes.

"Compliments of WATSON'S FLORAL SHOP"

Stan Scott is busily working on an art project. This year the art class had several outside activities such as scenery for the play and posters at tourney time.

MRS. ANNA LEARNED, Music; A.B., Evansville College, Indiana University, Indiana State Teacher's College.

MRS. MAXINE WALSH, Art; B.S., Manchester College.

Talent + Skill = Creative Art And Music

"Now, you're supposed to do it this way!" Mrs. Learned instructs Terry Tucker, Dale Gongaware, and Carol McComb.

"Busy, busy, busy!" Art Students, Mary McGraw, Joy McBride, Ronnie Fender, and June Fredrick are too busy to even smile for the birdie.

They Design And Manufacture Their Ideas And Dreams

The Junior and Senior home economics girls learn the do's and don'ts of a successful hostess as they entertain the sophomore home economics girls. Here Barbara Smith serves Vicki Opliger some punch.

"A little more your way, Penny," says Phyllis Wells to Penny Richards while they learn the art of moving a bed patient in home nursing.

MARGARET HOSTETLER, Home Economics, Family Living, Exploratory Teaching; B.S. Purdue.

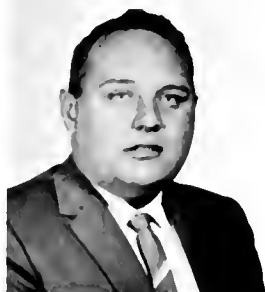

NAOMI PRICHARD, Home Economics; B.S. Ohio Wesleyan University and Indiana University.

"Sewing can be fun, but oh, that never ending pattern marking!" complains Carol Molargik.

The highlight of the home economics year is the annual style show, this year entitled "Mannequin Magic." Here Joyce Spangler displays her skills.

HARRY H. HARRIS, JR., Vocational Agriculture, Jr. High Shop; B.S. Purdue, Michigan State, Wisconsin State, M.S., St. Francis.

Vocational agriculture in the school curriculum meets the needs of students who are interested in engaging in the occupation of farming or who may possibly enter into related agricultural fields. Classroom study in this area is constantly being changed due to new developments in research. One large project the class undertook this year was the cementing of the farm shop floor.

Teamwork is important in agriculture. Here Leslie Roberson guilds the equipment while Steve Tieman holds down the calf.

Agricultural Training Makes Farm Leaders

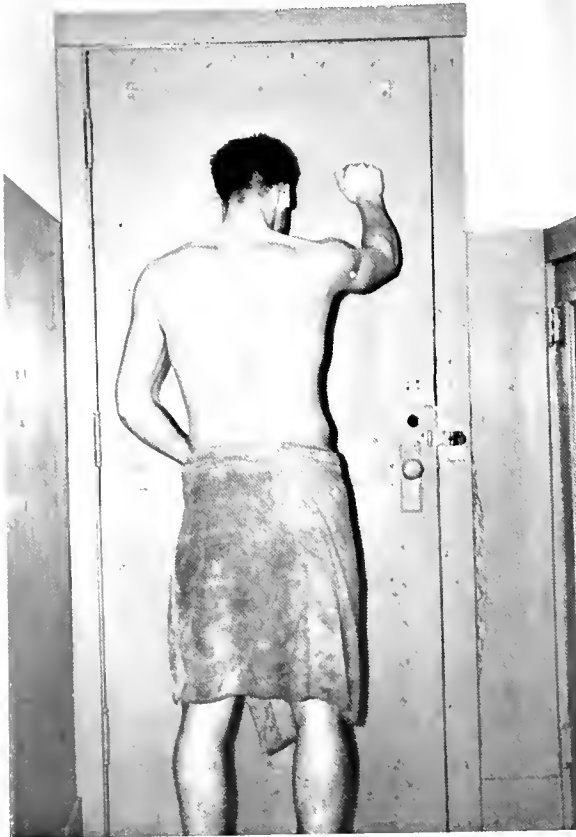

"A little bit too heavy, Larry," says Dean Fulk, but Tim Maggert doesn't seem the least concerned.

"Eagle Eye" Schlatter checks the scales as Joe Young looks on.

Physically And Mentally Fit In Body And Skill

"Aw, come on boys let me in. I promise not to take your girls out anymore," pleads Mike Fitch.

Precision and accuracy are important at all times as Vincent Cook draws a scale model of his subject.

CYRIL HALL, Drafting; B.S., M.S., Ball State Teacher's College.

MILL CAROL POLING, World History, Citizenship, Physical Education; B.S., M.A., Ball State Teacher's College.

Archery is just a small part of the varied activities performed by the girl's gym classes.

The skill of welding can lead to a worthwhile career or pastime as it is mastered in the welding classes.

Officers leading the newly organized Pep Club are as follows: Barb Arnold, President; Harvey Sands, Vice-President; Pat Fitch, Secretary; Pat Wilkinson, Treasurer.

The Pep Club members and other fans gravely anticipate as the fighting Wildcats pull through a crucial moment successfully.

Boost Team To Victory

These three peppy girls, Rita Frazier, Cindy Benward, Ruthie Dickes led the B-team to many exciting victories.

The cheerleaders led the newly organized Pep Club with new and exciting yells and energy to spare. Norma Stienbarger and Vickie Leis received trophies for their efforts this year, and Linda Gump and Pam Sigler received necklaces with megaphones. Miss Poling sponsored both groups.

Before the game some enthusiastic yells get the team off to a good start.

"Cat Tales"

The varsity basketball team handled many fine performances this season. They finished the season with a record of 14 wins and 8 losses. Their ACAC record was 4 wins and 2 losses. This entitled them to a second place position in the conference.

Hard-fought battles with New Haven and Woodlan sent the Wildcats into the final game of the County Tourney. The team finalized this exciting game by gracefully bowing out to a tough Leo team.

For their outstanding performances Larry Sordelet, Mike Fitch, and Steve Freck were awarded positions on the ACAC All-Star Team. Larry Sordelet received honors as our top free thrower with a .621 average.

Out of breath anybody? Not these boys. They ran themselves to a most terrific record of twelve wins, two losses, and fifth place in the Shortridge Invitational. They also accomplished for the first time in Huntertown's history a third position in the Sectional Cross Country Meet. The prize was a chance for participation in the Regional meet at Anderson in which they placed thirteenth. A job well done, guys!!!

Bob Yates, a fine all around athlete, but specifically outstanding in cross country, was named Most Valuable Player

In The Spring

The 1964 golf team had a very successful season with twelve wins and four losses. The team won the Allen County Golf Meet with Bob Warner taking first place in the county and Dan Mills placing third. They with the help of the other members of the team have made the student body of Huntertown very proud!

You call these boys valuable? Here's hoping Dan Mills doesn't believe in breathing as Bob Warner supposedly skillfully tees off. Seriously now, these boys really carried the load!

A Boy's Thoughts Turn To Golf And Baseball

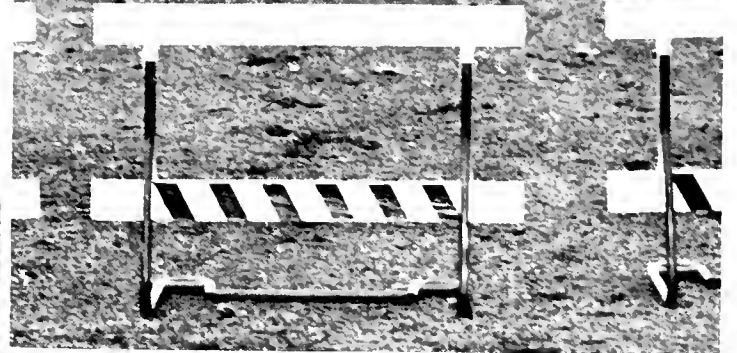

The Wildcat baseball team took to the diamond this fall to turn in an impressive record of six wins and four losses. The team's batting average for the season was a respectable .321. All the members of the team contributed just what it took to make for a grand season.

Most Valuable Player Awards were presented to Steve Freck with a .425 batting average and Dick Freck with a .375.

1964 Is A Big Year For Track Records!!!

The track team had a very successful season this year with seven wins and two losses in dual and triangular meets. During the season three school records were set. Wayne Hollopeter set the half-mile record of 2:02.3, Bob Yates set the 440 record of 54.5, and the mile relay team, Mike Pattee, Sam Gloyd, Wayne Hollopeter, and Bob Yates, set the record of 3:36.

The team finished sixth in the Goshen relays. Wayne Hollopeter set a record in his half-mile at the relays of 2:02.8.

In establishing a second place in the ACAC meet, there were two records set by Huntertown boys. Wayne Hollopeter set a record with his half-mile of 2:06.6, and Mike Fitch set a record in shot put of 48'10".

All in all the Huntertown fans consider their team to be a great success. Great job guys! We hope next year is as successful or maybe even more successful!

Wayne Hollopeter was chosen Most Valuable in Track.

Highlights Of The Junior Year

The Junior-Senior Banquet was held this year at the Mizpah Temple, with guest speaker Pastor Richard C. Frazier from the Trinity Lutheran Church. Everyone had an enjoyable evening, but Mr. Helm was kept busy answering REQUESTS.

Juniors proudly display their newly acquired class rings.

Cheryl Dennison and Steve Bowser think there must be an easier way to make money.

Here some Junior girls are beginning to wonder if the Seniors are really worth all the work.

Seniors. Seniors, . . .

Lookin' sharp, the Seniors proudly display their senior cords.

"Ready, aim, fire," and the Seniors battle out a snowball fight to the finish.

And More Seniors

Lockers bang and voices roar as belltime brings confusion to "senior hall."

"Whoopee, we're out at last!" shouts Charley Leffers while Gary Hursh jumps for joy.

Going steady plays an important part in a student's life.

Now Terry, don't you think this is carrying seniority a little too far.

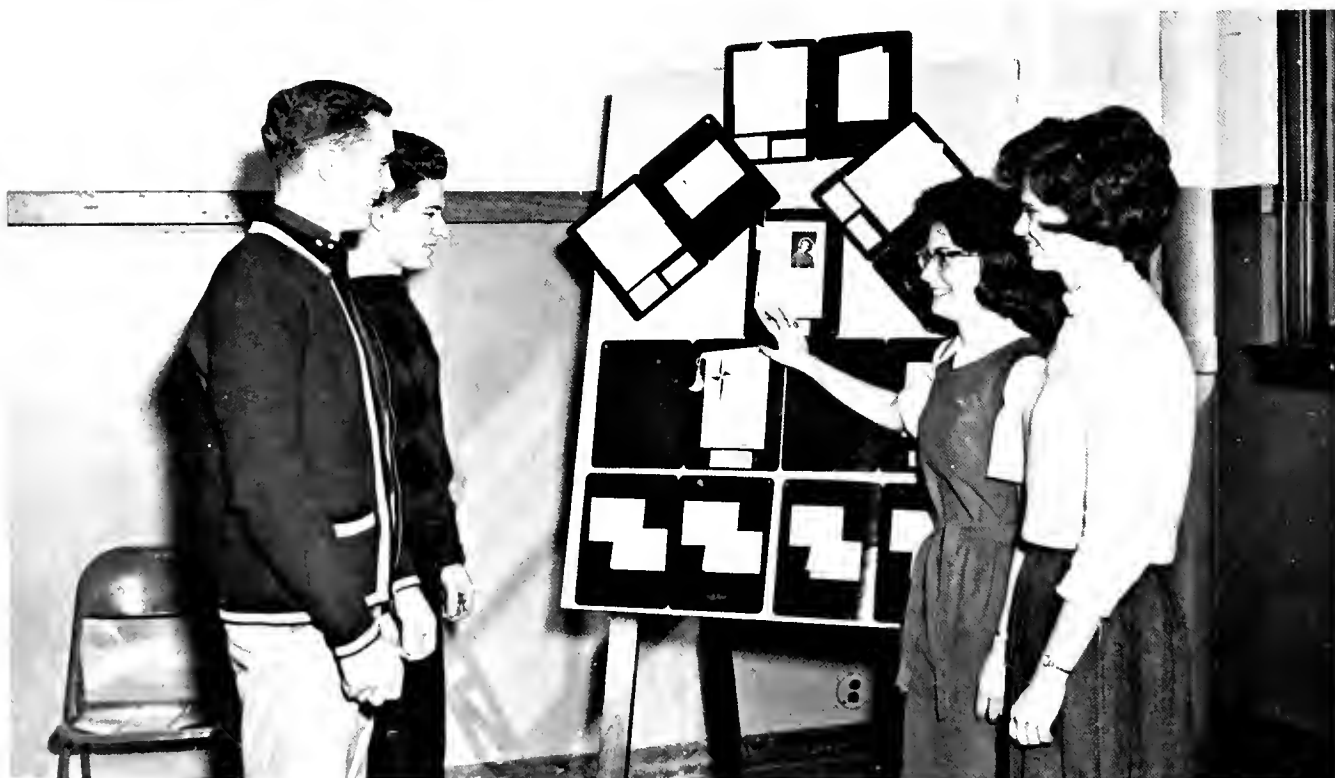

"And to think I've collected this all year," sighs Janine as she cleans out her locker the last day of school.

Scenes of fun and sadness prevail at the Seniors' last year of Y-Teen camp.

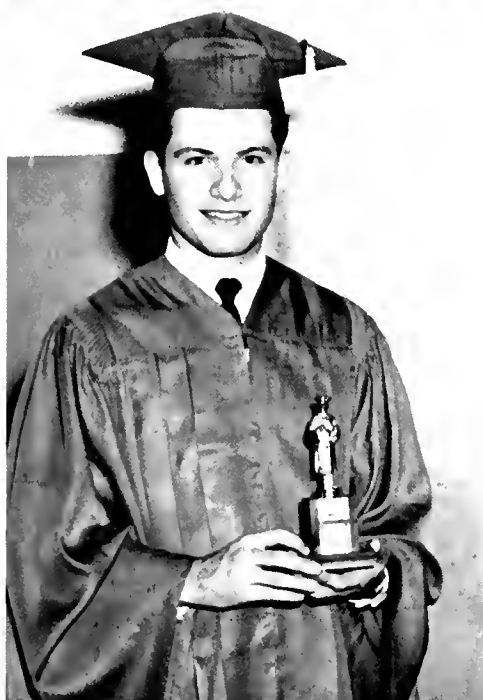

Here Larry Sible, Gary Pulfer, Cathy Blaugh, and Penny Anderson look over the selection of senior invitations for Commencement and Baccalaureate.

Do You Remember. . .

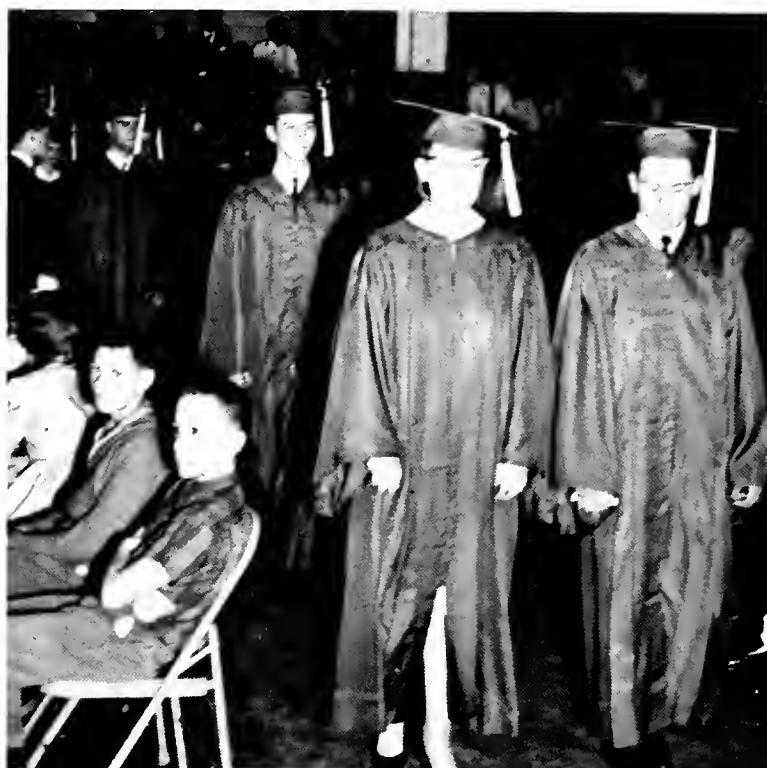

Graduation Brings Honors , Excitement, And Sadness

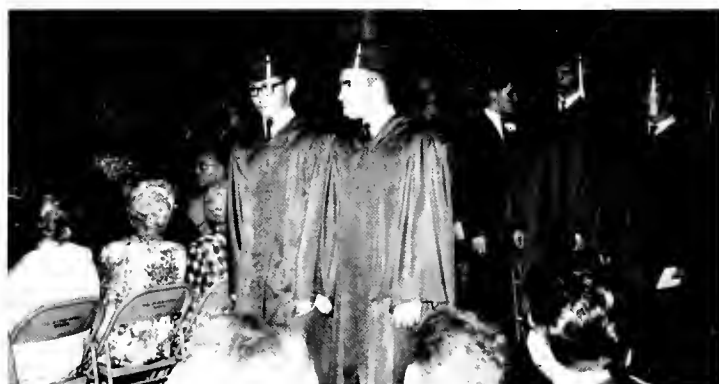

ABOVE: Joyce Zehr displays the trophy indicating her position of valedictorian with a 4.00 perfect grade average.

BELOW: Gary Pulfer attained the exceptional position of salutatorian with a grade average of 3.94.

Taking their last long walk into the gym as students are Joyce Zehr, Gary Pulfer, Tom Freck, and Sam Gloyd.

The end is drawing near as Bruce Dunwiddie, Mike Downs, John Eminger, and Ray Egolf march in for Baccalaureate exercises.

OPPOSITE PAGE: Religion plays an important part in everyone's life. Representing the spiritual background of Huntertown students are seniors Wayne Hollopeter, Cheri Noll, Sam Gloyd, Barbara Arnold, and Tom Freck.

Dedication

A parting gift--

To Mrs. Gladys Otto, a former teacher at Huntertown, we dedicate this, the 1964 Citadel.

Mrs. Otto began teaching forty-four years ago. She taught at Cedar Creek Grade School for four years before teaching at the Eel River-Perry Consolidated School. Mrs. Otto taught some junior high, but for most of her years she taught the third grade.

She earned her degree in the early '40's, and attended Ball State Teachers College, Tri-State College, and Manchester College.

Through this dedication we salute Mrs. Otto and her many years of service.

Why also do we dedicate the Citadel to you?

BECAUSE you came through these doors at dawn, and didn't leave till dark, giving your day to youth-- at times not a very rewarding occupation.

BECAUSE you helped to make this year of '64 the best ever.

BECSUSE you were there when we needed you the most, we give to you the most precious gift we have to offer . . . the dedication of a year of work, a year of memories.

MR. WILLIAM WOODS, we dedicate our book to you.

We would like to acknowledge and thank Mr. Harry Harris and Jefferson Studio for their help in the photography, Mr. William Woods for his time in the artwork, Artmaster Yearbooks for their cooperation, and the school administration and faculty for their understanding.
